

System Setup:

For your Mac:

- (Thanks Bill!) <http://www.csc.uvic.ca/~labspg/Reference/UseMac.html>

For your PC (There are 2 sets of directions, follow one or the other):

- (Thanks Bill!) http://www.csc.uvic.ca/~labspg/Reference/PytoJava/use_java_PC.html
- 1. Get: Java Development Kit (JDK) Version 1.7
<http://docs.oracle.com/javase/7/docs/webnotes/install/windows/jdk-installation-windows.html>
- 2. Get a text editor: TextPad or NotePad++
 - <http://www.textpad.com/download/>
 - <http://notepad-plus-plus.org/>

After Midterm 1:

- Get: **Blue J** Integrated Development Environment (IDE)
