ROOM RAIDER

Room Raider Design Changes
Hop-Scotch Mafia

March 1st, 2015

Jim Galloway
Carl Masri
Jakob Roberts
Nathan Burrell
Konrad Schultz

Feedback from cognitive walkthroughs
- There is no create group button from the group screen
- Room booking is hard to reach

Feedback from marker
- The colour scheme is non-existent/ugly
- Task scenarios missing

Solutions
- Added a create group button to the main group screen
- Colour coded buttons to clearly indicate the room booking functionality
- improved the room booking options/interface
- Colour scheme was changed and improved
- Different colours clearly indicate different functionality.
